

BOAF REGIONAL FORUM

© BEHAVIORAL OPTOMETRY ACADEMY FOUNDATION

IS THERE A NICER PROFESSION?

Most of us are lone wolves. Only very few Functional Optometrists (FOs) work together with other FOs in the same office.

As a result, most of us lack the opportunity to discuss research results, problems, ideas and questions with FO colleagues in person.

- ✓ *No matter how long you have been an FO, no two clients are the same, and even the oldest FOs experience new situations that they would like to share with colleagues.*
- ✓ *From September 2022 we will create a new opportunity for the FOs, so they can ask and discuss everything which involves their wonderful FO-profession in a trusting manner.*

BOAF REGIONAL FORUM

Don't miss this wonderful opportunity!

If you have any questions or suggestions, please contact our office.

Otherwise, please log in to your BOAF Regional Forums immediately.

All planned dates can be found on the BOAF Regional Forum homepage.

See you soon!

BOAF REGIONAL FORUM

Behavioral Optometry Academy Foundation

Every

BOAF Functional Optometrist can host their colleagues from the region at a time and place they determine themselves, e.g. in their own practice.

@ Regional Forum

1

A

previously determined desired topic is introduced by the host and then discussed in the audience.

@ Regional Forum

2

3

Use

this additional opportunity for communication and further training as a host as well as passively as an eager to learn person.

@ Regional Forum

"Functional Optometrists experience indescribably beautiful moments again and again because of their work."

IN ORDER TO

as many colleagues as possible are informed about this event,

- ✓ *the topic be must described with a small abstract,*
- ✓ *the location and date and times of the event are communicated to the BOAF office;*
- ✓ *this will then be published on the BOAF website.*
- ✓ *If you would like to take part, register directly with the hosting colleague.*

EXPENSES

- ✓ *Participation is free for BOAF members.*
- ✓ *For non-members, the first participation costs EUR 10, from the second participation EUR 50 each. The host does not receive any compensation from the BOAF. However, he can keep the non-member fee and tax it as his income*

MEALS

- ✓ *Each participant takes care of himself.*

INFO

FUNKTIONALOPTOMETRIE REGIONALFORUM

Every BOAF Functional Optometrist can host their colleagues from the region at a time and place they determine themselves, e.g. in their own office.

A previously determined desired topic is introduced by the host and then discussed in the audience.

So that as many colleagues as possible are informed about this event, describe the topic with a small abstract.

The place and date of the event must be communicated to the BOAF office.

This will then be published on the BOAF website.
